Dear Nancy:

On behalf of the entire Zalla family and Maple Lawn Farm, I, Martin Zalla, would personally like to thank you for your recent contribution as a volunteer and donor for the Clean-up efforts from the tornado damage suffered at our farm. Although we are aware it could have been much worse, as it was for others, we are so very grateful for the outpouring of help we received from people we knew as well as others who we met through the disaster.

The time and effort that was put into the clean-up was more than we ever could have expected. We were overjoyed to see the hundreds of people who showed up at all times of the day to walk the fields, operate equipment, lead a search group, lend a hand, or donate food or just to be there to support in any way they could. We thank you from the bottom of our hearts for just showing up and being there for support during this disaster.

Numbers 6:24-26

May the Lord bless you and keep you;
May the Lord make His face shine upon you,
And be gracious to you;
May the Lord lift up His countenance upon you,
And give you peace.

Once again, we are overwhelmed with appreciation for what you have done for our family.

Sincerely,

Martin A. Zalla
